RESPONSE

Honorable Commissioner:

In response to a requirement mailed March 15, 2002 to comply with requirements for patent applications containing amino acid sequence disclosures, (copy attached) please consider the following:

The sequence listing information recorded in computer readable form and submitted with the application is identical to the written sequence listing submitted with the application. No new matter is presented.

Reconsideration and withdrawal of the requirement is requested.

Please mail correspondence to:

John R. Casperson
